Labette Creek bridge on U.S. 59/U.S. 160 will open to traffic late Thursday

Late Thursday afternoon, Dec. 8, the Kansas Department of Transportation (KDOT) plans to open the new Labette Creek bridge on U.S. 59/U.S. 160. Officials estimate that the bridge will open to traffic by 5 p.m.

The bridge is located approximately 6 miles northwest of Oswego. The work zone has been closed to traffic since late March.

Slow down and drive with care. Watch for workers who are completing final tasks at the bridge site. Check KDOT's updated traveler information website, www.Kandrive.org, for more highway condition and construction details.
